

GREENBURGH ELEVEN UFSD

JURY DUTY LEAVE FORM

RESOLVED, that in the event that a full time school employee is called for Jury Duty and cannot be excused from same, the Board of Education will pay to the teacher or school employee the difference between what the employee would have received from the Board of Education and the amount he/she received as a juror. Every effort should be made to have Jury Duty postponed to a time when the employee is not on duty in the school system.
